**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is essential to healthy business practices and to avoid monopolies. I am a consumer who strongly supports broadband competition. I choose a small company for my phone and internet service for several reasons. These include far superior pricing, service, and company values.

Keep competition possible! Do NOT let big telephone companies like AT&T raise prices and cut off competition!
